

SAFETY EXCELLENCE AWARD

Award Description

This award honours an organization that is a champion of safety in the workplace and demonstrates an unwavering commitment to safety through comprehensive access to NBCSA training programs. This award aims to recognize those who prioritize workplace safety and employee well by providing them with the necessary knowledge and skills to maintain a safe working environment.

Criteria

Nominees will be a member of the Moncton Northeast Construction Association, who has made an outstanding contribution to the New Brunswick's Construction Industry.

Nominate your organization if you demonstrate any of the following:

1. Outstanding Safety Record: Minimal incidents and proactive risk management.
2. Comprehensive Safety Programs: Policies, training, and procedures that exceed industry standards.
3. Culture of Safety:
 - Employees actively engaged in safety practices and reporting.
 - Employee recognition for commitment to safety practices
4. Wellness Initiatives: Programs supporting physical, mental, and emotional health.
5. Innovation in Safety: Creative solutions or technologies that improve workplace safety.
6. Safety Standards: Commitment to workplace safety and compliance adherence
